

## VinSpina

### *Glera Frizzante Veneto IGT*

This sparkling wine is made from the same grape varietal and sourced from the same prestigious vineyards in the Veneto used to produce Prosecco. It is now available in 20L pressurized kegs for convenience and freshness for your by-the-glass program. This keg has been specially designed to handle the 9 bar pressure required to maintain original effervescence. The lightly sparkling bubbles in this wine are produced using the Charmat method.
