

VinSpina

Sangiovese Toscana IGT

This 100% Sangiovese from Tuscany is hand-selected by Lia Tolaini-Banville. The grapes are farmed organically. The wine spends 1 year in stainless steel and sees no oak, thus preserving the vibrant fruit character and pure Tuscan terroir. This wine is now available in 20L kegs for convenience and freshness for your by-the-glass program.

Dimensions of PolyKeg

-Weight: 46.2 pounds when full

Diameter: 10 inches Height: 18 7/8 inches

Key Features:

-Every keg is filled with high quality Italian Wine right at the winery.

-One-way PET keg - simply recycle after keg is empty! No deposits or maintenance required.

-Easy to use: Kegs are compatible with existing CO2 or Nitrogen lines. Kegs stack easily on top of one another in your storage area.

Grape varieties : Sangiovese

Alcohol : 13%

Tasting notes :

This wine has aromas of red berry fruit. Medium-bodied and approachable on the palate, with great balance and integrated tannins. Delicious with pastas and grilled meats and also great on its own without food.
