## Cain Vineyard and Winery

### Cain Five

Cain Five is dense and concentrated without being heavy. The key point is that even though it will easily last another twenty years, you can drink it today. If the Cain Five is utterly unique, distinctive in both aroma and taste, this can only reflect the Cain Vineyard, which gives birth to this wine and is both spectacular and idiosyncratic. Composed of the five classic varieties—Cabernet Sauvignon, Cabernet Franc, Merlot, Malbec, and Petit Verdot—Cain Five epitomizes the benefits of blending to achieve a complex wine. It is supple and rich of texture, combining a full, firm structure with a long and subtle finish.
