

VinSpina

Vino Rosso Piemonte (Barbera)

The vineyards are situated near Vicchio in Monferrato and are farmed organically. The grapes are vinified in stainless steel tanks under controlled temperatures with frequent remontage to create a favorable maceration on the skins. This wine is now available in 20L kegs for convenience and freshness for your by-the-glass program.

Dimensions of PolyKeg

-Weight: 46.2 pounds when full

Diameter: 10 inches Height: 18 7/8 inches

-Easy to use: Kegs are compatible with existing CO2 or Nitrogen lines. Kegs stack easily on top of one another in your storage area.

Grape varieties : Barbera

Alcohol : 13%

Tasting notes :

This Barbera represents its terroir and varietal character from the intriguing fresh red fruit nose, jammy with notes of rhubarb and hints of wild flower, to the soft gratifying palate. This wine is wonderful with meats and cheese and any northern Italian pasta dish and even pizza.
