

Col dei Venti

*Barbera d'Alba DOC*

In the Langhe region of Piemonte, enologists Claudio Icardi and Ornella Cordara vinify this Barbera beginning with a long maceration on the skins and daily repeated remontage to guarantee a deep color and fruit intensity. The wine is then raised in new French oak for 18 months.

Grape varieties : Barbera

Altitude : 280m ASL

Exposure : West/South-West

Soil : Sandstone with limestone and pebbles

Alcohol : 14%

Tasting notes :

A wine that is pleasing to the palate in its elegant complexity with a notable spiciness. The bouquet is intense prune and maraschino cherries.
