

## *Grillo Giardinello Terre Siciliane*

After harvest, fermentation takes place in temperature-controlled stainless steel tanks. The wine rests in bottle for two months before release. On average, 21,000 bottles are produced with each vintage.

Grape varieties : Grillo

Vineyard age : 10-year-old vines

Exposure : Northwest

Soil : Clay

Alcohol : 12.5%

Tasting notes :

Golden yellow in color with green reflections. Intense aromas of grapefruit and pineapple with hints of mint and sage on the nose. Fresh and persistent on the palate. A perfect match with seafood.
