

Rosé

Classic Provence style rosé sourced from grapes grown in vineyards located at the foot of the Mount Sainte-Victoire, just a few kilometers from Aix en Provence. There are four distinct terroirs, located between 300-330 meters of altitude. The harvest takes place very early in the morning to retain the freshness in the grapes. The grapes are then destemmed and vinified by direct press.

Grape varieties : 40% Grenache, 40% Syrah and 20% Cinsault

Altitude : 300m - 330m ASL

Alcohol : 12.5%

Tasting notes :

Classic Provence Rose with aromas and flavors of ripe strawberries, fresh-cut watermelon and rose petal all on a saline, mineral backbone with zesty freshness. Super versatile for all sorts of fare, indoors & out, glass or plastic.
