

Primavera Rosé of Cabernet Sauvignon

The grapes for this wine are harvested from the Valle de Guadalupe and Ticate region of Baja California.

After gentle pressing, the juice spends a brief period of time with the Cabernet skins before fermentation in temperature-controlled stainless steel tanks.

Grape varieties : Cabernet Sauvignon

Vineyard age : 18-25 years old

Alcohol : 11.5%

Tasting notes :

Pale salmon in color with floral notes on the nose. Light, refreshing and crisp on the palate with hints of red fruit. Delicious with light meals and spicy foods.
