

Tempranillo Sierra Blanca Valle de Guadalupe

The grapes for this wine are sourced from the Guadalupe Valley in Baja California, Mexico. L.A. Cetto wines are produced using 100% natural and sustainable methods and green practices.

Grape varieties : Tempranillo

Soil : Loamy soils

Tasting notes :

Fresh and clean with aromas of strawberry and cherry. Medium-bodied, smooth with velvety, integrated tannins. This wine pairs well with grilled meat, cold meats, and strong cheeses.
