

Barbera del Monferrato Grey Label

The Barbera grapes for this wine are sourced from the Monferrato wine region, which is located below the River Po in the southeast corner of Piemonte. Harvested toward the end of the harvest, the grapes are lush and ripe. After fermentation, the wine ages in Slavonian and French oak for a minimum of one year.

Grape varieties : Barbera

Tasting notes :

Deep purple in color. Medium-bodied with notes of sweet tobacco, leather, and spice. Pair with pasta in a red sauce, flatbread with flavorful toppings or roasted poultry.
