

Carpinus

Tokaji Hárslevelű

Hárslevelu is translated as "Linden Leaf" and this indigenous Hungarian varietal makes wines with beautifully expressive aromatics. The grapes used to make this wine are harvested from the Gyertyanos vineyard, Carpinus' largest parcel. The wine is 100% fermented and aged in stainless steel tanks.

Grape varieties : Hárslevelu

Vineyard age : 27-32 years old

Soil : Red nyirok clay, brown earth, illite, red and yellow dacite tuff, red and blue andesite

Tasting notes :

Honey, lime peel, edlerflower and a hint of white peach on the nose and palate. Well-balanced, crisp, expressive. A perfect wine to serve as an aperitif or for enjoying on the patio with light snacks on a beautiful day.
