

Tamber Bey

*Cabernet Sauvignon Estate Vineyard Oakville*

Napa Valley is widely regarded as the premiere growing region in the world for Cabernet Sauvignon. Here, climate, site, elevation and soil types integrate into the ideal terroir. Although just 30 miles long and four miles across at its

widest point, this valley is renowned for its Bordeaux varietals, particularly Cabernet Sauvignon.

Grape varieties : Cabernet Sauvignon

Alcohol : 14.6%

Tasting notes :

The appearance of this wine in the glass is hard to ignore. Vibrant and medium to full bodied, with the dark ruby/magenta hue maintaining its depth of color to the rim. The color is reminiscent of dark Bing cherry. The aroma delivers layers of dark cherry, plum, dried herbs, licorice and dusty earth. Flavors sing notes of rhubarb, black cherry jam, blueberry, light plum, leather, tobacco and mincemeat. The texture is supple and approachable. The finish is a smooth and well balanced, with medium acidity and tannins.
