

Domaine Clos de la Chapelle

Pernand-Vergelesses 1er Cru Sous Frétille

Even though it is partially hidden by the Hill of Corton, its southern exposure allows this terroir to receive plenty of afternoon sun. High on the hill, overlooking the village, the steep slopes of this vineyard have white marl and limestone soil. CDLC's tiny vineyard comprises only 0.13 hectares on vines that average 30 years old. The wine is made with the use of 33% new French oak.

Grape varieties : Chardonnay

Vineyard age : 30-year-old vines

Soil : White marl and limestone

Alcohol : 13.2%

Tasting notes :

A light golden color leads to a nose with great definition and aromas of citrus and green fruit. The mid-palate has a freshness the combines with good minerality and a look finish.
