

## *Only You Alcohol Free Sparkling White Wine*

Area of Production: Mediterranean region, at an altitude between 250 - 1000 metres. The climate is warm and the influence of the Mediterranean Sea very dominant. Grapevines have been cultivated for centuries on the limy-clay

soils, which, when combined with the constant presence of the intense sun, give rise to fruity wines with a very good structure and moderate tannins.

Vinification: After selection, the grapes macerate at 14°C and then ferment with selected yeasts at 16°C. Dealcoholisation of the wine with the spinning cones method follows. This method is the most respectful to the wine, maintaining all of the original aromas and structure but at an alcohol level of 0%. Vegan fining practices.

Grape varieties : Airen

Altitude : 250m - 1000m ASL

Soil : Limy-clay soils

### **Tasting notes :**

Colour: Bright yellow with green highlights. Aroma: Vibrant, with notes of passion fruit and Mediterranean citrus fruit aromas. Taste: Refreshing, flavorful and youthful. Elegant, fine bubbles with a hint of sweetness. Perfect as an apéritif, and with all kinds of fish, seafood and paellas. Serve well chilled.
