

Quivira Vineyards

Wine Creek Ranch Rosé Dry Creek Valley

A labor of "amour", this estate-bottled, single-vineyard, dry Provençal-style Rosé melds five distinct Rhône varieties to create one singular sensation that is seamlessly balanced, refreshingly crisp, and always hard to resist. 100% Wine Creek Ranch, CCOF-certified organic estate fruit.

Vinification: Handpicked fruit at varying times depending on each varietal's readiness and maturity as a component for Rosé. This intentional approach supplies fruit that is intense in flavor, lower in alcohol, and with balanced acidity for Rosé, as opposed to red wine. There is 0% saignée (bleeding red wine tanks at higher sugars) as the winemaking team does not feel this yields the highest quality. Each lot was cold-soaked, pressed, and vinified separately. Cool, never cold, fermentation, no malolactic fermentation, and mixing both stainless steel and neutral barrels for fermentation and aging results in a pure, focused wine that perfectly reflects its terroir and varietal makeup.

Grape varieties : 55% Grenache, 17% Counoise, 14% Syrah, 7% Mourvèdre, 7% Petite Sirah

Alcohol : 13.3%

Tasting notes :

Notes of cranberry, rhubarb, raspberry, red currant, watermelon, black pepper, Texas Ruby Red grapefruit, strawberry, and a thirst-quenching acidity in the finish to cleanse your palate.
