

Barr-Eden Estate

Love Over Gold Grenache

Love Over Grenache is made from a few rows of the estate's highest block in altitude and one of the highest Grenache sites in South Australia (545 m). Planted in 1997 this bush vine Grenache ripens slowly and is always hand picked.

The harvest was destemmed and tipped into a one-tonne fermenter. Gentle pump over and slow extraction until full dryness. Only the free runs were put into a 3 year old French oak barrel for eight months.

The wine is aged in the bottle for 2 years as Grenache is sensitive to oxidation and ages incredibly well in bottle.

Production: 300 bottles

Grape varieties : Grenache

Altitude : 525m ASL

Vineyard age : Block planted in 1997

Tasting notes :

The wine displays vibrant spice, pepper and mace behind dark cherry fruits. Soft palate with extremely precise and thin tannins that caress the palate and carry on with freshness and intensity.
