

Chalmers Wines

*'Felicitas' Method Traditional*

The name Felicitas comes from the Roman Goddess of fertility and happiness. The label is an abstract texture based on clouds in the sky in reference to the lofty goddess.

Vineyard notes: East facing sloped site, 150-170m elevation with red Cambrian soil. Fiano clone imported by Chalmers in 2002 and planted at Heathcote in 2009 in east-west row orientation at 4545 vines per hectare on unilateral rod pruned VSP. Farming is sustainable, focused on soil health and balanced vines. Viticulturist is Troy McInnes.

Winemaking: Hand-picked, whole-bunch pressed, fermented in stainless steel. Traditional method, 27 months on lees, disgorged in November 2020, zero dosage, minimal sulfur dioxide (65ppm) added at disgorging.
