With a focus on quality, sustainability, and terroir-driven wines, CHÂTEAU L'ESCARELLE stands out as a symbol of innovation and commitment to environmental commitment in Provence. VISIONARY LEADERSHIP Yann Pineau, a 30-year veteran in phone refurbishment, leads the winery with a commitment to excellence and innovation. PRIME PROVENCE LOCATION: Located inland in Côteaux Varois, the winery enjoys higher elevation in the massif de la Loube, up to 500m on terraces. ENVIRONMENTAL STEWARDSHIP: The sprawling estate spans 1,000 ha and features a butterfly garden/reserve, showcasing its commitment to biodiversity. Sustainable viticulture practices include organic mulching, fertigation, and precise plot mapping, alongside water treatment and energy-positive cellars with solar panels. CERTIFIED SUSTAINABILITY: The winery holds a Sustainable HVE3 certification, reflecting its dedication to eco-friendly practices and producing wines of exceptional character. UNIQUE WINE CHARACTERISTICS: With 100 ha of vines on clay and limestone soils, the vineyards contribute to the wines' distinct character. Wines boast greater density, structure, and color compared to Côtes de Provence Rosé, enhancing their versatility with food pairings.

Owner : Yann Pineau

Total acres planted : 247 acres (100 hectares)
