

MISS VICKY WINES

Beaujolais, France

Anne-Victoire Monrozier's (AKA Miss Vicky) wines are a symbol of the Art de Vivre in Beaujolais. Miss Vicky is now the 5th generation winemaker continuing her family's story at Château des Moriers. Their family estate is located in the northeastern part of the region in Cru Fleurie, at the border with the Cru Moulin-à-Vent. Alongside her father, Gilles, they are producing Vicky's new line of wines which are more fruit oriented, pure and elegant and continuing their flagship estate wines, which have a bit more structure and tension.
