DIPINTI - A VISION FROM TRENTINO?In the heart of Trentino, where vineyards rise from the valley floor to elevations of 2,500 feet, the Dipinti wines reflect the rich diversity and alpine purity of this northern Italian region. This mountainous zone, shaped by glacial soils, crisp mountain air, and dramatic temperature shifts between day and night, provides an ideal environment for expressive, high-quality wines. **CURATED BY THE BANVILLE TEAM?**Each vintage, Lia Tolaini-Banville and her team personally select the wines for the Dipinti collection, curating a lineup that captures the unique varietal expressions and terroir of Trentino. Their approach is grounded in a deep understanding of Italian viticulture and an unrelenting pursuit of quality—prioritizing wines that show clarity, freshness, and typicity. **ARTISTRY ON THE LABEL**The label art is as distinctive as the wines themselves. Italian artist Paola de Manincor created a series of paintings titled *Storie di Vite* ("Life in the Vineyard") that illustrate scenes inspired by the everyday beauty of vineyard life. Each Dipinti label features one of these original works, connecting the craft of winemaking with visual storytelling and tradition. The result is a series that unites artistry, place, and purpose—wines that are as thoughtful in presentation as they are in the glass.
