

MARCO ANTONELLI

Lazio, Italy

Marco Antonelli took over the estate from his mother in 2006. He is the third generation to farm approximately 4 hectares of vines and one hectare of olive groves in the area of Olevano Romano. The vineyards were planted in the 1950s and 1960s and in 2014, Marco began a collaboration with famed enologist, Vincenzo Mercurio and began the conversion to organic viticulture. Vineyards are planted on a mix of clay, calcareous and/or volcanic soils. The average altitude of the vineyards is between 300m and 400m.
