

ROSE GOLD

Provence, France

Established in 2017 by Casey Barber, Rose Gold Côte de Provence Rosé aims to bring a taste of Saint Tropez to your glass. Over 20 years ago, Casey fell in love with the taste, the people, and the South of France and, in 2017, decided it was time to bring her love to life. Transport yourself with Rose Gold. Rose Gold Côte de Provence Rosé hails from sun-kissed vineyards just thirty miles northwest of Saint Tropez in the South of France. Fresh breezes off the Mediterranean, and warm mid-day sun combine to create an elegant Rosé worthy of seaside sipping in Saint Tropez.
