County
Zinfandel Old Gods
Sidekick Chardonnay
Sidekick Merlot
Sidekick Cabernet Sauvignon

Iconic Wine is an exciting project redefining the landscape of contemporary California winemaking. Founded by Birk O'Halloran and Karl Antle, this Napa-based label has built its reputation on crafting wines that are as nuanced as they are accessible. Sourcing fruit from top vineyards across Napa, Sonoma, and Mendocino, Iconic captures the essence of these storied sites while embracing a philosophy of balance and restraint. Their Heroine Chardonnay, in particular, has become emblematic of their vision—a Chardonnay that combines richness and tension, offering clarity and precision without sacrificing depth. Sustainability lies at the heart of the Iconic ethos. The vineyards they work with are cultivated using practices that prioritize soil health, biodiversity, and water conservation, ensuring not just quality but also stewardship for future generations. Yet, what truly sets Iconic apart is their ability to communicate a sense of place through wines that remain approachable and unpretentious. O'Halloran and Antle bring fresh energy to California winemaking, marrying modern sensibilities with deep respect for tradition. With its clean, stylish branding and wines that overdeliver at every level, Iconic Wines is a label that speaks not only to the connoisseur but also to a new generation of wine lovers seeking authenticity in every glass.
