Caribbean Blended Rum, Edition 2016

Sourced from the Caribbean, rich and intense molasses arrives in Scotland where it's distilled and spends a calculated amount of time in cask before bottling. The result is a delectable melding of exotic and enticing Caribbean-sourced rum.

Tasting Notes :

Intriguing color. Stimulating nose, hint of mushrooms. Shades of undergrowth and wet foliage in a second time stand out shades of powder coffee cream and nutmeg. As alternate the brass and strings of a New Orleans old-time orchestra, on the palate alternate spicy and marine tones, so strong that it seems to take a walk in the Mediterranean scrub. Custard, peanut butter and hazelnut.
