Caribbean Soul Cask Rum 1998

From the producer:

"From an island that has always been at the heart of Caribbean legend, and a country that we're slowly rediscovering. This is a simple rum with classic style. It slides into the glass almost apologetically, undetected. Ready to endure anything, a serious conversation or a romantic tête-à-tête. A tasting session, an evening with friends, party time. Truly a rum for any occasion.

To my dear friend Chicco, teacher of life..."

Tasting Notes :

Dry, pure and clean. With tones of roasted spices, marzipan, dried licorice and fresh foliage ... almost a scent of grass. In the mouth, it elegantly glides from one part of the palate to the next, stimulating our perceptions. A hint of white chocolate, coffee and toasted sesame. Then marzipan, orange, pistachio.
