

Distillerie Marzadro

Crema Alpina al Fior di Latte

The fior di latte and fresh cream from the Trentino valleys combine to create an inviting and pleasant mountain cream, distinguished by its soft and well-balanced taste.

The Alpine cream liqueurs by Marzadro represent a typical expression of the local area. Thanks to the softness of their flavor and their moderate alcohol content, these liqueurs are also suitable for those who prefer a light and delicate drink.

It is an excellent way for rounding off a meal in full harmony with the sweets and ice cream, whether as an accompaniment or as an ingredient. It provides a great basis for creating cocktails with a unique and original taste.
