

Distillerie Marzadro

*Crema Alpina Wild Strawberries*

A delicious cream liqueur from the mountains, with delicate and light flavor blended with the taste of wild strawberries and the soft purity of cream made with fresh milk from Trentino.

The Alpine cream liqueurs from Marzadro represent a typical expression of the Alpine valleys. Thanks to their inviting flavor and moderate alcohol content, these liqueurs provide a light and pleasantly delicate drink.

Excellent as a digestif, paired with or even an ingredient in desserts or ice cream, or for creating original and refined cocktails.
