

Hagave

Hagave Spiced Nectar

HAGAVE is a spiced nectar that brings a high quality, consistent spicy flavor to the drink category. The name "Hagave" is a play on the key ingredient, agave, and the spicy effect it produces when combined with the other ingredients to create hotness and heat. HAGAVE offers a spicy flavor enhancer that can partner with any spirit to provide a premium, consistent, spicy note to any creation. With HAGAVE, you can create a lower calorie, premium spicy cocktail that will always taste the same.

Botanical Aromatics :

Organic Agave Nectar, Jalapeno, Orange, Capsicum Frutescens

Tasting Notes :

HAGAVE Spiced Nectar is a unique blend that tantalizes the taste buds with its fiery jalapeno and capsicum flavors, while also offering a delicate balance of tropical floral notes from the orange and a perfect sweetness from the organic agave.
