

Samaroli

Islay Blended Malt Scotch Whisky Edition 2016

100% barley distilled in a double pot still in the Laphroaig distillery along with other Islay distilleries. This is one of Samaroli's classic blends due to its unique marine location, Islay malts are all very distinctive with their trademark aromas of smoke, iodine, and kelp.

Tasting Notes :

The iodine component is persistent but it doesn't confine the rhythm and the dimension of this spirit. The finish is of cereal, very rich in yeast and with bread notes, salty butter and seaweed. Balsamic perfumes of salts and minerals, pungent scents like oregano, marjoram and sesame.

Country of Origin :

Great Britain - Scotland

Name of Original Distillery :

Laphroaig and other Islay distilleries
