

Yéyo Tequila

Reposado Tequila

Yéyo Reposado is the ultimate expression of artisanal tequila, meticulously handcrafted in small batches on a family estate in the Highlands of Jalisco. They cultivate 100% naturally grown blue agave, slow-roasting it to unlock its rich, complex flavors before fermenting it to the harmonious sounds of classical music—an homage to tradition and refinement. Twice distilled in traditional copper pot stills, the tequila is then aged for eight months in hand-selected Foursquare ex-rum oak casks, allowing it to develop an exceptional depth of character. Additive free.
