

Prichard's Distillery

*Straight Tennessee Whiskey*

A classically structured, small batch whiskey that closely approximates what Benjamin himself was bottling in the 1790s.

CLASS & TYPE: Whiskey - Tennessee

TASTING NOTES by Robert Plotkin, Author, Judge at Ultimate Spirits Challenge

The deep amber-colored whiskey has a generous nose layered with vanilla, tobacco and baking spices before gradually developing the additional scent of a freshly cut lawn. On the palate, the satiny textured whiskey warms the mouth with the long lasting flavors of cinnamon, dark chocolate, toffee and freshly shucked sweet corn.

HOW TO DRINK: Neat
