

Prichard's Distillery

*Sweet Lucy Cream Liqueur*

Born in a duck blind, variations of this ode to homemade elixirs, usually combinations of peaches, oranges, apricots smushed with lots of sugar and whiskey are a frequent accompaniment on duck hunts. Inspiration from a customer encouraged Prichard's to add wonderful, rich, Wisconsin cream.

CLASS & TYPE: Specialty Cream Liqueur

TASTING NOTES from Prichard's: Fruity and warm, a quick nose to the glass helps warm you up from the inside out on a cold winter morning in a duck blind. A friend from Drinks Up explains it perfectly. There is nothing better than taking your good childhood memories of having a milkshake, and then adding booze to it.

HOW TO DRINK: Great just out of the bottle, wonderful in coffee or over ice cream, the best is to keep it in the freezer. That way it's almost like liquid ice cream!
