

Prichard's Distillery

*Sweet Lucy Liqueur*

Born in a duck blind, variations of this ode to homemade elixirs, usually combinations of peaches, oranges, apricots smushed with lots of sugar and whiskey are a frequent accompaniment on duck hunts.

CLASS & TYPE: Whiskey - Flavored

TASTING NOTES from Prichard's: Fruity and warm, a quick nose to the glass helps warm you up from the inside out on a cold winter morning in a duck blind. Only when the last ducks were in the blind did a jar of this began to be passed around. A thunderous clap in a grand expression of joy, holler with great enthusiasm, "Sweet Lucy!"

HOW TO DRINK: Neat with a toast "For the Ducks".

35% ALC/VOL - 70 PROOF
