

## Cain Vineyard and Winery

### *Cain Cuvée NV17*

Once again, the NV17 illustrates perfectly the way in which two vintages blended together can complement one another. 2016 was a relatively cool year that gave us some lovely, light, perfumed wines, perfect for Cain Cuvée, while, at the outset, the 2017 harvest promised to deliver firm, deeply structured complex wines—the ideal complement to the more delicate 2016s.

**Grape varieties** Merlot, Cabernet Sauvignon, Cabernet Franc

#### **Tasting notes**

Bright floral and herbal aromatics. Pair with your grilled seafood, sausages or roasted chicken—think rosemary and thyme!

**Banville**  
Wine Merchants
