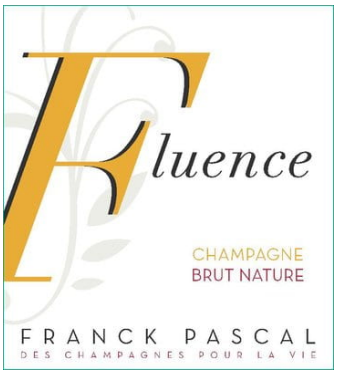
Champagne Franck Pascal

Fluence Brut Nature

"Fluer" means "changing very slowly with time". Thanks to biodynamic farming, new life has come back to the Franck Pascal vineyards. This slowly changes the relation between the vine and the soil, and the way the vines connect to light. Slowly, the composition inside the grapes change... Fluence is the evidence of this terroir rebirth.



Grape varieties 54% Pinot Meunier, 26% Pinot Noir, 20% Chardonnay

Soil Clay marl and chalk

Alcohol 12.5%
