

Tenimenti Leone

Tera De Leone Cesanese IGP Lazio

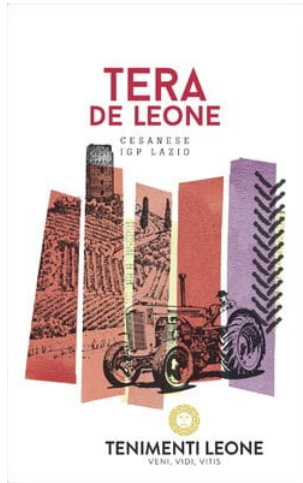

The Cesanese grapes are harvested manually in boxes when optimally ripened and vinified. The cold pre-fermentation maceration for about 48 hours favors a greater extraction of the typical aromas of the vine.

Grape varieties 100% Cesanese

Altitude 130m ASL

Soil Sandy clay loams of volcanic origin

Alcohol 15%

Tasting notes

Aromas of red berries and roses. Good structure with well-integrated tannins. Delicious with Roman specialties.
