

## Saintsbury

### *Pétillant Naturel Pinot Meunier*

Vineyards: Farmed by the van der Kamp family for over four decades, this vineyard is located on the north-facing bench of Sonoma Mountain at an elevation of 1,500 ft, and is among the oldest sites inspired by Burgundy and Champagne in California, with current plantings from 1952. It is the family ethos to farm organically and with a focus on environmental sustainability.

**Grape varieties** 100% Pinot Meunier

**Altitude** 450m ASL

**Soil** Loam with volcanic material and decomposed river bed

**Alcohol** 12.3%

#### Tasting notes

This method preserves fruit and floral freshness with young white peach, apricot, honeydew rind, Honeycrisp apple and Asian pear intertwined with elderflower and honeysuckle. The finish is clean yet pleasantly lingers with lime zest, green almond, parmesan rind, grapefruit pith, and a touch of ocean salinity. Harmonious between fruit and verdant character.
