Meurgey-Croses

Pouilly-Fuissé 1er Cru

The recognition of the Premiers Crus of the Pouilly-Fuissé appellation was approved in 2020. To do so, the reputation, the uses, and the natural characteristics of each parcel were carefully studied.
22 "Climats" have been classified as Premier Cru, covering 194 hectares (24% of the Pouilly-Fuissé AOC area). They are located in the four communes of the appellation: Chaintré, Fuissé, Solutré-Pouilly and Vergisson.

Grape varieties Chardonnay

Soil Clay and limestone

Alcohol 13%

Tasting notes
Pale yellow color with hints of green. On the palate, a mineral wine with flavors of white flowers and citrus fruits that combines subtlety and freshness. Beautiful roundness on the palate.
