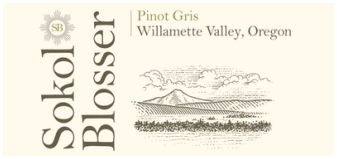
Sokol Blosser

Willamette Valley Pinot Gris



Sokol Blosser's home estate in the Dundee Hills AVA is where it all began in 1971. Most of their Willamette Valley Pinot Gris comes from their neighbors, but they also have two special single blocks of their home estate vineyard that produce amazing Pinot Gris. The Cattail block receives its name from nearby cattails, and Fir Island is aptly named for the grove of giant Fir trees nearby.

Grape varieties 100% Pinot Gris

Alcohol 13%

Tasting notes

Slight notes of honeysuckle, apple blossoms, nectarines, pear, and apricots. A very complex Pinot Gris that is dry, with high acidity, and a long finish. Pair this Pinot Gris with stone fruit salad, Chicken Tikki Masala (Medium Heat Preferred), or spinach quiche.
