

Viñedos y Bodegas Sierra Cantabria

Sierra Cantabria Rosé

Sierra Cantabria Rosé is a classic Rioja clarete produced from a co-maceration of red and white indigenous varieties from the Eguren family's extensive vineyard holdings in San Vicente de la Sonsierra. This wine pays homage to the classic claretes of yesteryear, when field blended vineyards would be co-vinified.

Grape varieties 55% Viura, 35% Garnacha, 10% Tempranillo

Soil Calcareous clay soils that are typical to the Sonsierra Riojana. Limestone rich clay soils that are sandwiched between large slabs of lime-sandstone mother rock.
