Passopisciaro

Passobianco Terre Siciliane IGT

Passobianco is a unique expression of the encounter between Chardonnay and the loose, deep soils of the contrade Guardiola and Montedolce where it digs its roots into pure lava dust and rocks, rich in minerals.

Grape varieties 100% Chardonnay

Altitude Between 850m and 950m ASL

Soil Pure lava dust and rocks, rich in minerals from Guardiola and Montedolce

Alcohol 13%

Tasting notes

A distinctive Chardonnay from vineyards planted at an impressive 900-1,000 meters above sea level on ash-rich volcanic soils. The wine shows layered aromas of honey, toasted almond, saffron and Sicilian orange, carried by a supple, waxy mid-weight palate. Polished and expressive, with real charm.
