

## Tenuta di Trinoro

### *Campo di Camagi Rosso Toscana IGT*

Collezione «I Campi» is a limited-production series of Cabernet Franc that showcases the unique character of three distinct vineyard parcels. The collection began in 2011 with Campo di Magnacosta, when the Cabernet Franc vines had reached maturity and could fully express the personality of their soils.

**Grape varieties** 100% Cabernet Franc

**Altitude** 550m ASL

**Soil** Shallow, stony soils over a layer of quartz and limestone

#### Tasting notes

Elegant and regal in character. Its complex, expansive bouquet opens with deep, dark notes of small berry fruits layered with a broad spectrum of spices. On the palate, it combines intensity with a refined, silky texture. The tannins are firm yet polished, and the finish is long, vibrant, and energetic.
