

Kivelstadt Cellars

The Inheritance Estate Syrah

Vineyard: Sourced from the family estate, Kivelstadt Family Vineyard, in the eastern reaches of Bennett Valley. The valley itself runs west to east, acting as a wind tunnel from the Sonoma Coast. Constant afternoon breezes slow the ripening of our estate fruit, allowing for further flavor development on the vine.

Grape varieties 98% Syrah, 2% Viognier

Alcohol 13.9%

Tasting notes

Dark plum and blackberry notes hit the nose first, seamlessly shifting to white pepper and leather the longer your nose stays in the glass. Surprisingly bright and briny on the front palate (think black olive) that gives way to a savory and hearty finish. A perfect accompaniment to grilled meats, hearty dishes, and chilly nights.
