Dipinti

Chardonnay Vigneti delle Dolomiti IGT

This wine is made from a clonal selection of Chardonnay grapes grown on the mineral rich, well-drained soil of vineyards with a Southwest exposure.

Grape varieties Chardonnay

Altitude 300-400 m ASL

Soil Deep, mineral rich, well-drained and of medium fertility

Alcohol 12.5%

Tasting notes

A clean, crisp, refreshingly unoaked wine with pure apple and pear flavors and balanced acidity. This light to medium-bodied wine provides a great match for baked, fried or broiled white fish and cream-based pastas - also perfect for your next party!
