

## Subsoil

### *Rosé Horse Heaven Hills*

100% of the fruit for this wine came from Estate Vineyards located in the Horse Heaven Hills. Once at the winery, the grapes were sent directly to the press. The free run juice was cold settled for 48 hours. The clean juice was racked away from the settled solids and inoculated with a yeast specifically selected for Rosé. The wine was fermented cool over a period of 30 days, allowing for great aroma development.

**Grape varieties** Grenache, Cinsault, and Syrah

**Soil** Missoula Flood sediment, sand and loess

**Alcohol** 12.5%

#### Tasting notes

This delicate light pink Rosé begins with aromas of fresh strawberries, pomegranate and cranberry. The fruit is lifted with hints white tea and pink lemonade. The wine is sleek with bright, lively acidity. The bright, crisp, refreshing acidity brings balance and structure to this lively Rosé.
