

Markus Molitor

*Wehlener Klosterberg Riesling
Kabinett*

White Capsule: Dry
Quality level: Kabinett

Grape varieties Riesling

Soil Light to medium-heavy stony soils of decomposed slate with a high proportion of unweathered iron

Alcohol 10%

Tasting notes

"Strongly reductive at first, it is only after extensive airing that this wine reveals cool aromatics of herbs and mint as well as some greengage and smoke. The very dynamic wine proves nicely refreshing with grip and presence on the palate. The finish is light and airy, with great upside potential at maturity." (Mosel Fine Wines, Issue 38)
