

Withers Winery

Peters Vineyard Chardonnay Sonoma Coast

Peters Vineyard, planted between 1991 and 1996 on land previously home to an apple orchard, is located just southwest of Sebastopol, not far from the Pacific. Morning fog and ocean breezes through the Petaluma Gap contribute significantly to the character of the fruit.

Grape varieties Chardonnay

Alcohol 13.4%

Tasting notes

This beautiful Chablis and Puligny Montrachet-inspired Chardonnay reveals its citrus, saline and mineral laden aromatic and flavor profile from the moment the wine hits the glass. It has penetrating flavors and acidity and is the perfect food pairing wine due to its strong backbone. It will develop for years to come but is irresistible now.
