

## Tamber Bey

### *Chardonnay Sans Chêne*

The fruit for this wine comes from two Yountville vineyards, the estate owed Deux Chevaux Vineyard located on the northern Yountville AVA, and the Trio Vineyard located on the south western side of the Yountville AVA.

**Grape varieties** Chardonnay

**Alcohol** 13.6%

#### **Tasting notes**

By blocking malolactic fermentation and aging this wine in stainless steel, we are able to preserve a beautiful freshness to the wine. On the palate are notes of lavender honey, white flowers and white peach. The natural acidity is an edgy, architectural frame that keeps you on your toes from front to back, while the sleek, polished trajectory of this wine finishes with a bright, even keel.
