Tasting notes

Gorgeous garnet color with vibrant, pure fruit aromatics abound. Red fruit holds its own with dark fruit - cherry, pomegranate, raspberry, blackberry, and boysenberry. Bright and focused, once the wine gets more air, wispy accents of oregano, thyme, sage emerge adding a layered complexity. Flavors echo the nose and bring in cherry cola, milk chocolate with the subtlest hint of black pepper. Brisk acidity amplifies the fruit for a long refreshing finish.
