

Saintsbury

Chardonnay Sangiacomo Green Acres Carneros

Vineyards: This bottling comes from the Green Acres blocks of the Sangiacomo Family Vineyard. Considered the Chardonnay sweet-spot of their plantings, these older vines give us deep complexity and added concentration resulting in powerful and balanced Chardonnays.

Grape varieties Chardonnay

Soil Loam and clay soils

Alcohol 13.9%

Tasting notes

An opulent nose is echoed in flavors of green pineapple, lemon curd, fresh citrus zest, tangerines and butterscotch lifted by a spine of fresh acidity. The linear mouthfeel gives way to a crème brûlée finish, all indicative of the cool climes and old-vine complexity found in the Green Acres blocks.
